You're Only 15 Once!

Experience the magic; make your dreams come true and be a 15-year-old princess in Disney's Royal Quinceañera Weekend.

The moment you've dreamt of since you were a girl is coming soon: your 15th birthday, and deep in your heart you yearn to experience an unforgettable, magical day, worthy of a fairy tale.

Close your eyes and let your imagination wander. Imagine a masterfully decorated ballroom, full of lights, surrounded by people who are there only to celebrate your birthday and remind you that you are a princess. There's no better place than the enchanted Epcot®, at Walt Disney® World Resort. Here, a hail of shooting stars will fill the sky with explosions of light and color, announcing to all that you are the sovereign of the night.

This magical moment is part of the multiple surprises of Disney's Royal Quinceañera Weekend, a special program prepared exclusively for quinceañeras to have the Fiesta de Quince of their dreams.

Dare to imagine your Fiesta de Quince at Walt Disney World. Walk by Cinderella's Royal Carriage towards the elegant ballroom. You'll look stunning, wearing your most regal and beautiful dress, radiating magic and color with your bright smile.

And if that makes your heart skip a beat, wait until you see where the reception will be taking place. You'll be transported to a dream world, where the trumpets announce the beginning of your celebration. Family and friends will stand aligned -- just like royal subjects -- to properly greet you, the princess, on your most special evening. The ballroom will glow with your presence, and you'll feel like you're floating when walking among the colorful clouds that decorate and fill the space with magic.

But this is only the beginning of the fairy tale. Following the initial ceremony, both princess and royal subjects are gathered and escorted to a private viewing area to witness the amazing show IllumiNations: Reflections of Earth. This jaw-dropping display of lasers, pyrotechnics and water fountains could be the perfect finale to any event, but fortunately for you, the spell does not end here.

What follows requires you to tighten up your crystal slippers, because you'll fall under the spell of the best of Latin music and the hits of the Top 40. You'll be dancing the night away with your family and friends, and this evening will go down in history as the most magical 15th birthday ever!

Like your 15th birthday, Disney's Royal Quinceañera Weekend only happens once; so don't miss this fantastic opportunity to celebrate the 15th birthday party of your dreams at the place where dreams come true.
